TV5 Monde

CABLE SYSTEM PETITION

The French Associations of San Diego, in collaboration with the French Channel TV5 MONDE, are petitioning for TV5 MONDE to be available in San Diego's cable systems. The information will be collected and submitted to Time Warner and Cox Cable and does not imply subscription to TV5 MONDE once it becomes available. Indicating your address and zip code is necessary to show the cable companies that you live in their distribution area. E-mail will be used to alert you when TV5 is available.

Please return the form to SDFACC, 3574 Trenton Ave, #101, San Diego, CA 92117, or fax it to (858) 764-9700. You can also fill out the form online at http://www.france-sandiego.org

Je soutiens la mise en place de TV5 MONDE sur mon réseau câble de San Diego.
